If the student feels that he or she is treated unfairly, he/she can directly write to students' Grievance Redressal Cell. He/she can put the complaint in the complaint box placed in the college. Then, the cell puts that written complaint in the meeting. The cell understands the nature of the grievance. The matter of discussion is kept secret. If the grievance is related between the students and the officials, they will be allowed to express their views before students' Grievance Redressal Cell. After discussing the matter in the meeting, the cell prepares a final report of the grievance and submits to the principal. Then, the course of action will be taken and the same will be intimated to the students. This process will be completed within 15 days.
